## **West Tower**

## **62 Residences**

The West Tower is nestled adjacent to the North Fork of the Snake River, just steps to the gondola and is home to the three full-service restaurants. Twenty-nine Residences enjoy the view and sounds of moving water with the upper floors capturing the Ten Mile and Gore Mountain Ranges to the West. Residences bordering the Events Plaza will enjoy the vibrancy and excitement of all the activity, while still catching some ski slope views. Standard finishes are already luxury upgrades which include Thermador or Bosch Appliances, Quartz countertops, sleek and modern fireplaces, and balconies for all Residences.

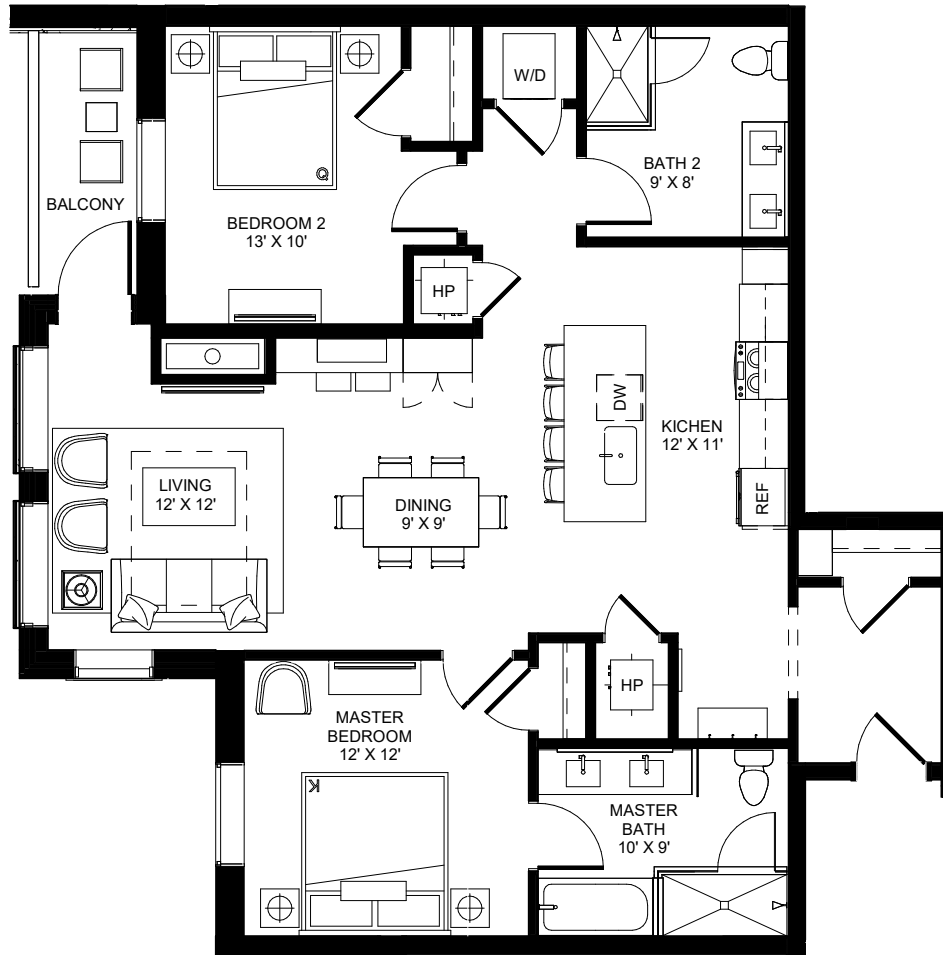

The ten premier, corner 3-bedroom Residences look directly over the River Run Gondola with unobstructed views of the Ski Slopes. Each Residence includes 36" Wolf Gas Range and Subzero Refrigerator, premium Quartz countertops, elegant long and low fireplaces, and either two or three private outdoor balconies.

*Residences, prices and SQFT Listed are examples only. NOT all Residences will be available in Phase One. Residences and Prices offered are at the sole subjective discretion of ORRA and can change at anytime without notice.*
